New York, Aug. 28.—With opportunity knocking loudly, Washington falled to respond to the call and today the Seintors are six points back of the lengue leading. The hitting of Harry Hellmann and Cobb figured largely in this contest. Quinn stopped them short in the second game, allowing nine scattered hits and three runs, while the Sox gathered six runs for their portion. White Sox and the Athletics

divided two games in Philadelphia. Harry Hooper of the Sox hit a homer with the bases full in the fourth inning of the first game, which went to the Chicago club, 12 to 9.
